PRESIDENT'S MESSAGE

Summer Greetings!

Thank you all for an outstanding 2016-2017 ASPE year. As we enter the 2017-2018 ASPE year, I am looking forward to working with the incoming Officers and Committee chairs as we start planning and setting goals for the upcoming term. We are here to serve you, the ASPE Chicago Chapter Membership, so please feel free to provide ideas, recommendations, feedback, criticism (but be nice about it – smile) to the Board so that we can better represent what you would like to see in our Chapter.

Here are your 2017-2018 Chapter Board of Directors and Committee Chairs:

- President – April Ricketts
- Vice President Technical – Chris Sbarbaro
- Vice President Legislative – Scott Jagodzinski
- Vice President Membership – Chris Wisinski
- Vice President Affiliate – Darren Rich
- Treasurer – Emily Koussa
- Administrative Secretary – David Erickson
- Corresponding Secretary – Brennan Doherty
- Newsletter Editor/Webmaster – Jeff Gallagher
- Product Show Chair/AYP Liaison – Justin Wroblewski
- Women of ASPE (WOA) Liaison – Natalia Dankanich
- Historian – Don Johnson
- Golf Tournament Chair – Steve Triphahn

Additionally, the Chapter Board of Governors, which consists of the 3 most recent Chapter Presidents, are:

- Mark Mannarelli (Chapter President 2015-2017)
- Rick Butler (Chapter President 2013-2015)
- Frank Sanchez (Chapter President 2011-2013)

If you are interested serving on a committee, please let me know.

Be sure to check out the other articles in this newsletter, as well as the Chapter website and future emails, for more information on upcoming Chapter Product Show. This year's Product Show Committee has been working tirelessly to put on a fantastic event for you, which will be held at the Plumber's Local 130 Union Hall. Come for the CEU credits... stay for the fun!

Moving on the Golf Tournament...

Thanks to Steve Triphahn, Chapter Golf Tournament Chair, for putting together another great golf outing and to everyone who could make it. Limping around on a sprained ankle, I was happy to be on photography duty, driving around in a golf cart and getting in some great pictures. Check out the Chicago ASPE Chapter [Website](#) and [Facebook](#) page to look at the group photos and action shots. One new thing that we did this year was to get prints of the team pictures done at the local Costco and back in time to hand out at the end of the tournament. This seemed to go smoothly and was a pleasant surprise to many as they finished the tournament and received copies of their team photos.

PRESIDENT'S MESSAGE CONTINUED...

I know that some of you have been asking about how to get a Chapter name badge. We have been looking for a new supplier and I am happy to report that Past-President Mark Mannarelli has found a source and will be the contact person for ordering new ones. For those of you who have previously signed up to get a name badge, we have those in hand and were able to distribute a few of them at the Chapter Golf Tournament. A few have not been passed out yet, and I will plan to bring them to our next Chapter function. If you do not have a name badge and would like to order one, please check out the advertisement in this newsletter.

ASPE Technical Symposium...

In case you have not seen the emails yet, we are having a contest to send 3 Chicago Chapter members in good standing to the upcoming ASPE Technical Symposium. A copy of the contest rules are listed in this newsletter. This year's Symposium is in Canada, so be sure to pack your passport...and good luck!

Lastly...

I would like to give a special thanks to our Chapter's Past-President, Mark Mannarelli, for doing a fantastic job as President for the 2015-2017 term as well as for all his years serving on the Chapter Board. The Board presented Mark with a Presidential Gavel Plaque and a couple cool gifts (thanks, Chris Sbarbaro, for organized all of this during my leave of absence). On a personal level, Mark has offered much moral support and prayers during a very difficult year for me and my family, which I am very grateful for. His energy, charisma, and sense of humor are infectious and he leaves some big shoes to fill for any incoming Chapter President. I welcome his continued input and guidance as I take the mantle of Chapter President and am pleased that he will continue his service to the Chapter on the Education Committee.

Until Next Time...

Chicago Chapter Members,

Win a Trip to this year's Technical symposium!

Any active Chicago Chapter member in good standing (dues up to date) is eligible to win a chance to be selected for a free all-expense-paid trip to the upcoming Technical Symposium October 19th thru the 22nd in Montreal, Quebec.

Expenses covered will include the following. Receipts will be required for reimbursement:

- Registration
- Hotel
- Airfare/Shuttle
- Food Allowance

The symposium is a great opportunity to gain additional knowledge in the plumbing discipline. Go to the ASPE web site at <http://2017tech.aspe.org/> for additional information on the scheduled seminars that may be of interest to help broaden your career development.

Those who are interested in being selected for a free trip must submit a brief letter (1 or 2 paragraphs) on why they would like to attend. You will also need to make sure that your passport is up to date. Email your entries to aspe.chicago.president@gmail.com

The board will review the individual letters and select the top submitted applications. Three Chapter members will be selected out of the submitted letters.

Submissions are due by August 18th.

Winners will be notified by email.

Regards,

ASPE Chicago Chapter Board

VICE PRESIDENT, TECHNICAL: TECHNICALLY SPEAKING

2017-2018 Chapter Meetings:

I am currently in the process of finding a new venue location in downtown Chicago. Let me know if you have any suggestions for a location near the Metra Stations and slightly outside of the Loop, (possibly the Haymarket Pub & Brewery).

2017-2018 Technical Presentations:

I currently do not have any presentations booked at the moment. I am waiting to ensure the presentation topics I set up are not a repeat of those at the Chicago Product Show. If you have a topic you would like to offer, or suggest I inquire about, please don't hesitate to let me know.

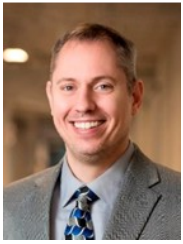

2017 ASPE National Technical Symposium:

I hope everyone planning to attend this year's Symposium has their passports current given that it's being held in Montréal, Québec. Our CEO Billy Smith has put out a promo for the upcoming technical symposium. If you have not already done so, check out this video on YouTube: <https://youtu.be/aqAq2SDhvxw>

VICE PRESIDENT, LEGISLATIVE

Hello Chicago Chapter ASPE Members:

I am your new chapter officer for VP Legislative. Over the next two years, I will be keeping you informed of the inner workings and changes in the codes we all know and love. I have a few thoughts as to where I want to lead this position, now and in the future. More to come.

Francisco left some mighty shoes to fill with all of his updates and I hope by the end of my term I will have left a positive legacy as well.

Currently on the Illinois code front we are in a bit of a holding pattern as the codes that have been implemented are amidst in their own three-year cycles. Most of the jurisdictional approvals, dates of expiration, and specific amendments that have been created are available online at the IDPH website.

<http://www.dph.illinois.gov/topics-services/environmental-health-protection/plumbing>

<https://data.illinois.gov/Public-Health/Illinois-Plumbing-Code-Ordinance-Approvals/cup9-8qhc>

These next two years are sure to be exciting. I look forward to working with the board to bring everyone fun things to do and learn through ASPE.

Coming up in the near future, we have two very big educational events:

- **Chicago ASPE Product Show (Thursday, September 21st):** Under the Chairman Justin Wroblewski, the team has put together a great show and group of classes. This year it will be located in the Local 130 new union hall. This is going to be fun.
- **ASPE Technical Symposium (October 19th—22nd):** This year the Symposium is located in beautiful Montreal. We have four (4) slots open to ASPE members who are interested in winning a **FREE** all-expense paid trip to the Symposium. We are asking members who are interested to write a short 1-2 paragraph letter to the board with your reasons for wanting to attend. The board will select the winners.

Thank You,

Scott Jagodzinski, CPD, GPD

VICE PRESIDENT, MEMBERSHIP

Greetings Members,

Summer is shaping up to be a real... unpredictable one this year. If there is one thing the rain can't wash away this year, it's the ASPE Product Show this fall. Keep in mind it is Thursday September 21st at the New Plumbers 130 Union Hall. Make sure to keep it on your calendar.

Moving into the VP Membership role is a big step forward for me. I am excited to be involved with everyone on improving our group with new members and also to assist with more opportunities for all of our existing members too. This comes as outings, events, and education. If you have any ideas, please feel free to send me a suggestion.

We understand ASPE can be quite a commitment to you. While it certainly is a networking tool that can help everyone along their path, please step forward if you'd like to be more involved or just have thoughts for keeping us in the right direction.

Have a great rest of the summer!

Thanks,

Chris Wisinski

ADMINISTRATIVE SECRETARY

Greetings Members,

I hope everyone is having a fun and safe summer. The ASPE Chicago Board had a summer meeting in July with the new board members and it looks to be another great group of people that will support the Chicago Chapter and its members.

I look forward to seeing everyone at the Annual Product Show in September.

Sincerely,

David Erickson

Chicago Chapter Administrative Secretary

VICE PRESIDENT, AFFILIATE

Hello Everyone! I hope that everyone is enjoying their summer and all the great things that summer-time has to offer!

I am excited to be part of the Chicago ASPE Board this year as the Vice President, Affiliate.

I will do my best to be the voice of the Affiliates (Manufacturers and Manufacturer Reps). In order for me to be effective, please reach out to me with comments, recommendations, concerns, or anything you feel should be brought to the attention of the ASPE board. I will make sure that the voice of the Affiliates is heard.

I will also work hard to promote ASPE and encourage membership growth. This is something all affiliates can help with by promoting the benefits of ASPE membership in their product presentations to those in the audience that are not already an ASPE member. There is a very short power point available to help you do this, if you don't have it, please reach out to me and I will send it to you.

We have a lot of exciting things that are being worked on, The Chicago ASPE Product show is just around the corner on Thursday September 21st. The show will be held at a new location: The New Plumbers Local 130 Union Hall. A downtown location will hopefully make it possible for a great turnout by Plumbing Engineers, Mechanical Engineers, Plumbing Designers, and more....

Please start promoting attendance at the show NOW!

We are also working hard on December's Booster Night, please start talking to your manufacturers now about donations. Let's make this the best Booster Night Ever!

Also, we are working on an advertising page for upcoming newsletters, there will likely be 2) ½ page ad spaces, 2) quarter page ad spaces, and 4) 1/8th page spaces available. While we finalize the details and costs, please let me know if you would like to advertise in any of the upcoming newsletters.... Let's get a backlog started now!

Again, please reach out to me for anything you would like brought up in front of the ASPE Board. I am here to be our voice and to make sure our voice is heard!

Thanks,

Darren Rich

Chicago Chapter Vice President, Affiliate

AYP LIAISON / PRODUCT SHOW CHAIRMAN

Summer Greetings!

MEP-Palooza

Thank you for all your support for our first annual MEP-Palooza this year on July 20th. It was a successful event with many in attendance! I hope to keep this an annual event, as it was a great opportunity to network with contractors and other associations. Furthermore, I would like to thank all the vendors that supported MEP-Palooza. They helped make this event a success! I hope everyone enjoyed it.

Upcoming AYP Event

Our next AYP event is approaching fast! Will be touring Wrigley Field Thursday September 7th, 2017 from 6PM-7PM. Following, we will watch the Cubs away game at Brickhouse Tavern where we will network over cocktails. This is a free event for AYP and Affiliate members. Registration is currently open to AYP until August 15th. Local ASPE member registration will be August 15 - September 1st. We have limited spots available. Please RSVP to ASPE.Chicago.AYP@gmail.com. See attached flyer for more information.

CORRESPONDING SECRETARY: INDUSTRY NEWS

Hello everyone!

For those I have yet to meet my name is Brennan Doherty, and I currently work for MIFAB as their Central Regional Manager. Before my role at MIFAB, I initially started my career with Fastenal on the wholesaler side before I broke into the plumbing industry with Symmons covering the Illinois market.

I am truly excited to start this chapter of volunteering by helping to keep our ASPE community aware of other events that are happening in our surrounding area. I look forward to bringing a focused light on the events that will make an impact and give the most value to those willing/able to invest their time.
