PRESIDENT'S MESSAGE

June Greetings!

Woo Hoo...Summer is finally here!

Thanks to everyone who showed up at our May Chapter meeting at the Golf Center. It was an event-filled evening as we managed to recognize members with ASPE anniversaries (and gave pins to members who were present), held Chapter elections, passed the gavel (in this case, Lau -our Chapter mascot) from past-Presidents to the incoming Chapter President, and had some great Manufacturer Spotlight and Main presentations.

Chapter Elections...

As mentioned, we had our Chapter Elections last month. Congratulations to the newly elected 2019-2021 Chapter Officers (whose term starts on July 1st):

- President - Chris Sbarbaro
- VP Technical - Scott Jagodzinski
- VP Legislative - Chris Rohan
- VP Membership – Justin Wroblewski
- VP Affiliate - Darren Rich
- Treasurer - Brennan Doherty
- Admin Secretary - David Erickson
- Corresponding Secretary – Phil Traynor

Region V President's Meeting...

By the time this newsletter is published, Chris S. and I would have just gotten back from the ASPE Region V President's Meeting, held in Kansas City, MO. In addition to giving an update on the state of our Chapter, we will have heard from other Chapters on their successes and lessons learned. Fingers crossed...we are looking like we have enough points to win the Chapter Award of Merit (last year we missed it by a few points). Stay tuned...

Golf Tournament...

Our Chapter's Golf Tournament is this month (June 21st). If you have not registered, there is still time to sign up. We recently sent out an email with registration information as well as included info in our Chapter newsletter the past few months. If you have any questions, please contact the Golf Tournament Chair, Stephen Triphahn at steve.triphahn@wtengineering.com

Chapter 50th Anniversary Celebration...

By now, you have probably received an email highlighting all of the festivities that will be happening at the Chapter's 50th Anniversary event on July 26th. Be sure to keep checking your emails, as we will be sending out updates as we firm things up. Right now, we are anticipating the cost to be \$40 per person, with the remaining costs covered by sponsorships. If you are looking to become a sponsor, please reach out to the Chapter Anniversary Chair, Mark Mannarelli, or the VP Affiliate, Darren Rich. I hope that you all can attend, and please pass on the event info to past Chapter members you might know so that they can join in.

PRESIDENTS MESSAGE, CONTINUED...

Thanks for the Memories...

I'd like to thank the outgoing 2017-2019 Chapter Officers and Committee members for their time and sacrifices:

- VP Technical - Chris Sbarbaro
- VP Legislative - Scott Jagodzinski
- VP Membership - Chris Wisinski
- VP Affiliate - Darren Rich
- Treasurer - Emily Koussa (and Brennan Doherty)
- Administrative Secretary - David Erickson
- Corresponding Secretary - Brennan Doherty
- Newsletter/Website - Jeff Gallagher
- Product Show/AYP Liaison - Justin Wroblewski
- Women of ASPE (WOA) Liaison - Natalia Dankanich
- Historian - Rick Butler
- Golf Tournament - Steve Triphahn
- Chapter Board of Governors/Education Chair/50th Anniversary Chair - Mark Mannarelli
- Chapter Board of Governors - Rick Butler
- Chapter Board of Governors - Frank Sanchez

I'd also like to thank Past-Treasurer Sean Allard for helping with various Treasurer duties this past year.

Thanks also to the Board for the Presidential Gavel Plaque and the Doctor Who Gift Bag (how did you all know I am a Doctor Who fan?— smile).

It has been a great pleasure serving as the Chicago Chapter President these past couple years. I am thankful for the opportunity you all have given me to serve and now I look forward to the adventures that await being a Past-President.

On a personal note, thank you all very much for your support as I've dealt with loss of loved ones both at the start and the end of my term. Your kind words and prayers have been greatly appreciated.

Thank you, again, for your dedication and continued support of the ASPE Chicago Chapter...and many well wishes to the President-Elect Chris Sbarbaro and the 2019-2021 Board!

Until Next Time...

VICE PRESIDENT, TECHNICAL: TECHNICALLY SPEAKING

Thank you to all the members who came out for the May Chapter meeting. I would like to say THANK YOU to the following:

- Viega for sponsoring cocktail hour.
- Aaron Barton of IPEX for the manufacturers spotlight on flue venting with IPEX's System 1738® PVC.
- Steve Wortman of Victaulic for the informative main technical presentation on controlling domestic water pressure.
- And, last but not least, all the members who voted me in as your next Chapter President!

I'm writing this while on the plane to the ASPE Region 5 meeting. I hope to gain some insight from other successful Chapters, to see what is working, (and what is lacking). The upcoming Chicago ASPE board is fully energized and ready to deviate from the 'status quo' if it will better our Chapter. Our mission is to provide this Chapter what it needs:

- Bring back the manufacturers product directory, (in a newly revised format).
- Sending out Chicago Chapter Membership Lists on a regular basis.
- To seriously try and get younger people in our industry involved and engaged. This may involve a change in how we run Chapter Meetings...

Please contact me directly for ANYTHING you think could better our Chapter! We appreciate new ideas as well as constructive criticism. After all, we work for you!

Lastly, congratulations to Jeff Gallagher and Scott Beckord for passing the most recent CPD test! Thanks to everyone for the feedback regarding the test material- Frank Sanchez and I will be sure to update our CPD class material for next year.

Thank You,

Chris Sbarbaro, PE, GPD, CPD, LEED AP BD+C

VICE PRESIDENT, LEGISLATIVE

CODE CORRIDOR

From the pen of Scott Jagodzinski
VP Legislative

What an ASPE year this has been. I could never have imagined that I would have been so active with codes when the season started back in September. And I know that the code world is constantly changing but the absolute nightmare of the Proposed Illinois Plumbing Code changes gave me a new purpose. I looked onward with vigor as I researched and pushed our members to stand up for our rights as engineers and to do the right thing and let law makers know that we will not stand by quietly in the night and let the safety of the general public be at risk due to some poorly thought through ideas and reactionary rules. I vowed we would stand up and be noticed. And stand up and be noticed we did. Recent conversations I have had are that the whole code proposal is likely to be scrapped and started fresh. Hopefully this is true and happening. I do not have the connections with the lawmakers as I would like, but we have lots of helpful people in our chapter who do. We are a community that does good work in the industry and I am proud to have been able to be the voice for everyone in the chapter.

It was my honor to serve you as VP Legislative and I am passing the torch on to another amazing engineer who I know will continue to provide you the voice of codes in the upcoming years.

I start my new role as VP Technical and I have high hopes and ambition to provide quality technical sessions with new ideas and possible new locations to boot.

Thanks,

Please reach out to me if you have any code questions, code updates, or you are looking for any interpretations and I will try to include pertinent information in future newsletters. We here at ASPE are here to provide our chapter members our services whenever we can.

Stay tuned next month for the latest updates.

Thanks,

Scott Jagodzinski, GPD, CPD

ADMINISTRATIVE SECRETARY

Greetings Members,

Although I was not able to attend the May meeting, I heard it was a success on many levels. We had 40 attendees; the 50/50 Raffle total was \$ 193, which resulted in ASPE Research Foundation, received \$97 and Morris Lieberman won \$ 96. The RSVP Dinner winner was Kristopher Magel.

We had elections for the 2019-21 Chicago Chapter Board of Directors and the winners are as follows:

- President-Chris Sbarbaro
- VP Technical-Scott Jagodzinski
- VP Legislative-Chris Rohan
- VP Membership-Justin Wroblewski
- VP Affiliate-Darren Rich
- Treasurer-Brennan Doherty
- Administrative Secretary-David Erickson
- Corresponding Secretary-Phil Traynor

Term starts July1, 2019

Thank you for reading and I hope to see you at the Annual Golf Outing on June 21 at Hilldale Country Club in Hoffman Estates.

5 REASONS TO SPECIFY STANCOR™ OIL MINDER®

MODULAR SOLUTION TO MANAGE LIQUIDS
IN AN ENVIRONMENTALLY FRIENDLY MANNER

Oil Minder has long been the standard for liquid management in hydraulic elevators. The system features Intellectual Property (IP) and is factory-wired to increase reliability while simultaneously lowering installation and maintenance costs.

1

CONDUCTIVE
SENSING

Conductive sensing measures the electrical current in a liquid to reliably differentiate oil and water. The conductivity probes are self-cleaning, which makes them maintenance-free.

2

CUSTOMIZED
SOLUTION

Stancor is knowledgeable about both Pumps and Controls. That has led to a modular system **customized for individual needs** of specific customers.

3

PLUG-AND-PLAY
SYSTEM

Oil Minder's **plug-and-play, multi-pin connector** offers: minimized installation labor, assurance to the inspector and an efficient hand-off between plumbing and electric.

4

PUSH-TO-TEST
FEATURE

The **"reset" button** actuates alarm lights and turns on the pump to ensure proper installation. Diagnostics can be run without entering confined space.

5

3RD-PARTY
CERTIFICATION

The importance of reliability can't be understated. Stancor **contracts a third party** (Entela) to verify the entire system is manufactured to exacting specifications.

VICE PRESIDENT, AFFILIATE

It is my honor to serve as VP Affiliate for another 2 years on the Chicago ASPE Board, I look forward to another fun , eventful couple of years! As you know, I am the voice of the affiliates to the Chicago ASPE Board, I hear a lot of rumblings out there but it is a rarity that someone comes to me with concerns, issues, or something they would like to see changed. Please know, that there are a few different ways to reach me if you need to get in touch concerning an issue.

June is here, that means another beautiful day of Golf in Hoffman Estates, I hope to see you all there!

As know by now, we are planning our ASPE Chicago 50 Year anniversary celebration! RSVP at: <http://chicago.aspe.org/50th-anniversary.html>. To make this event successful and thank our local Engineers for their support throughout the years, we are in the need of Sponsors for this event. While we are still working out all the details, we are looking for the following sponsorships:

Gold Sponsorship \$500.00 - Available

Silver Sponsorship \$250.00 - Available

Bronze Sponsorship \$100.00 – Available

While we still work with the cruise company to see where we can and cannot hang sponsorship signs, see if there are any screens we can digitally list sponsors, etc. Time is starting to get short as we are heading into June, so we need to start looking for sponsors NOW! *Please reach out to me to let me know at what level you would like to sponsor this event!*

With Brian Berg from Berg Engineering Consultants being our First Sponsor for this event, **this event is open to Sponsorships from Not just Reps and Manufacturers, but if your Engineering firm is willing to Sponsor, we would appreciate that as well!** The more sponsors we get, the better this event can be! A BIG THANK YOU! In advance for sponsoring this great event! Please contact me directly with your Sponsorship commitment and I will follow with an invoice within a couple days!

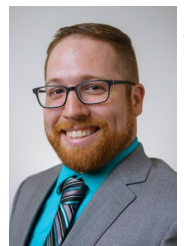

Please keep in mind the Advertising Opportunities there are to advertise in our monthly newsletter, let me now if you want info on advertising rates.

Thank you!
