

Chicago ASPENews

Celebrating 50 years of excellence!

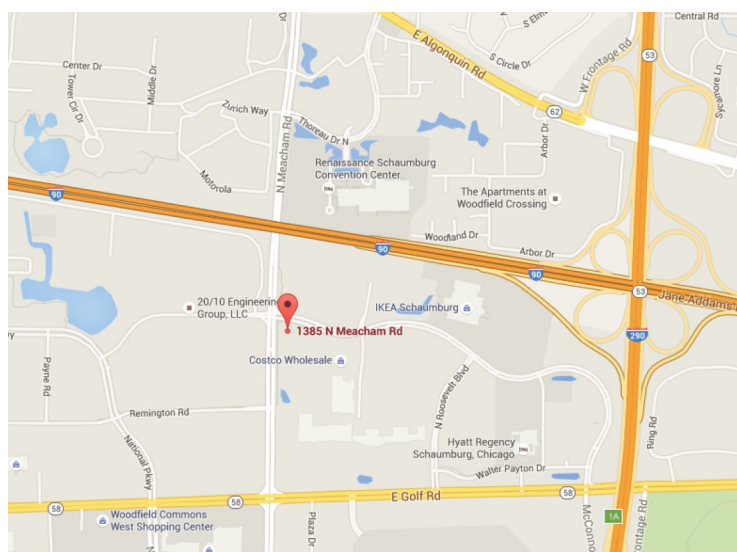

Chicago Regional Chapter of the American Society of Plumbing Engineers
Vol. 51, No. 3
October 2019

Chicago Chapter General Meeting Thursday, October 17, 2019

Westwood Tavern & Tap
1385 N. Meacham Road
Schaumburg, IL 60713

AGENDA

5:30pm Cocktail Hour Sponsored By:

HART, TRAVERS
& ASSOCIATES, INC.

6:30pm Dinner, (\$40 for ASPE Members \$45 Non-Members). **RSVPs must be received by 6:00 PM on Monday, October 14th** (RSVPs received after this time will be charged a \$5 late fee).

7:15pm **Manufacturer Spotlight:** Sloan Flushmate with KC Akalaonu from Sloan Flushmate Division

7:30pm **Main Presentation:** Engineered Devices vs. Legionella by Craig Boyce with Kemper Valves (0.1 CEUs Available!)

Please RSVP on the Chicago.aspe.org website in lieu of calling or emailing, thank you for your cooperation!

MENU

Appetizers:

- Bruschetta & Mixed Vegetables
- Pepperoni & Margherita Flat Bread

Starters:

- Westwood Cranberry Salad

Entrées:

- Mediterranean Herb Chicken w/ Basmati Rice & Vegetable Medley

Dessert:

- Vanilla Ice Cream Sundae

Drinks:

- Soft Drinks, Coffee and Tea

Chicago ASPENews

2019-2020 Preliminary ASPE Chicago Meeting Schedule

Date	Technical Presentation & Manufacturer Spotlight	CEU	Location
September 19, 2019	Presentation Topic: Solar Thermal Domestic Water Systems Speaker: Steve Lipsey with R.C. Sales Mfr Spotlight: TBD Speaker: TBD	0.1	Venuti's 2251 W. Lake Street Addison, IL
October 17, 2019	Presentation Topic: Engineered Devices vs. Legionella Speaker: Craig Boyce with Kemper Valves Mfr Spotlight: Sloan Flushmate Speaker: KC Akalaonu with Sloan Flushmate	0.1	Westwood Tavern & Tap 1385 N. Meacham Rd. Schaumburg, IL
October 24-27, 2019	ASPE Technical Symposium Pittsburgh, PA	Several Hours Available	Wyndham Grand Pittsburgh 600 Commonwealth Place Pittsburgh, PA 15222
November 21, 2019	Presentation Topic: Emerging Trends Impacting Potable Water Systems Speaker: Greg Swafford with Georg Fischer Piping Mfr Spotlight: NU-Flow Midwest Speaker: Dave Wiley with NU-Flow	0.1	The Berghoff 17 W. Adams Street Chicago, IL
December 12, 2019	Booster Night Holiday Party & Casino Night	N/A	La Villa Restaurant 3632 N Pulaski Rd Chicago, IL
January 16, 2020	Presentation Topic: Conversation/ Discussion with Local Plumbing Plan Reviewer/Plumbing Inspector Speaker: George Swietczak Mfr Spotlight: TBD Speaker: TBD	0.1	Venuti's 2251 W. Lake Street Addison, IL
February 20, 2020	Presentation Topic: Intelligent Water Technologies Speaker: Ray Elliott with I-Con Mfr Spotlight: I-Con Speaker: Ray Elliott with I-Con	0.1	Westwood Tavern & Tap 1385 N. Meacham Rd. Schaumburg, IL
March 20, 2020	ASPE Chicago Product Show and Technical Seminars Co-located with IL PHCC Drury Lane Conference Center, Oakbrook Terrace, IL	0.2	Drury Lane Conference Center, Oakbrook Terrace, IL
April 16, 2020	Presentation Topic: Water Treatment Speaker: Jonny Seccombe with Aqua Rex Mfr Spotlight: NIBCO Speaker: Aaron Kilburg with NIBCO	0.1	Club Casa (at Golf Center) 353 N. River Rd Des Plaines, IL
May 21, 2020	Presentation Topic: Grease Production Sizing for Grease Interceptors: satisfying plumbing/prettreatment requirements + achieving proper pump-out frequency Speaker: Charlie Ismert with Schier Products Mfr Spotlight: Schier Products Speaker: Charlie Ismert with Schier Products	0.1	The Berghoff 17 W. Adams Street Chicago, IL
June 19, 2020	Annual Golf Outing	N/A	Hilldale Golf Club 1625 Ardwick Drive Hoffman Estates

If you would like to present any of these topics or become a meeting sponsor, please contact Scott Jagodzinski at aspe.chicago.vptech@gmail.com.

PRESIDENT'S MESSAGE

Thanks to everyone who made it out to our September meeting at Venuti's. We had a good turnout to start off the ASPE Calendar year. Shout out to our VPT for lining up the pork chops that were amazing. Our next Chapter Meeting will be at Westwood Tavern & Tap, historically one of our best attended venues.

Please be sure to RSVP for the event. Even the late RSVP's do help when trying to lock in the required head count, (recall we do plated dinners and need to schedule this in advance).

AYP Event with Happy Hour and Darts on October 18th in the Loop!

Attention members 35 and younger! There will be a happy hour event at Flight Club Chicago on Friday 10/18, from 5 – 7 PM. This will include drinks and darts. Please contact our AYP Liaison Phil Traynor at PhilT@HSAREP.com for more info or to RSVP.

Affiliate Members – Manufacturer's and Representatives Index

We will soon be E-blasting out a Microsoft Outlook Contact Template we ask that you fill out. This will be the basis for our ASPE Chicago Manufacturer's and Representatives Index, as well as our ASPE Chicago Plumbing Products Directory.

ASPE Technical Symposium

If any Chicago members are attending the ASPE Technical Symposium in Pittsburgh, PA please reach out to me as we will be having a chapter dinner one night. For those of you that might still be on the fence about attending, please remember there will be over 12 hours of ASPE approved CEU's available.

ASPE will be launching a new website soon

I understand that some of our members may have gotten an automated email from ASPE mentioning a password change – If you happened to receive that feel free to ignore it, as it was related to the website update. Some highlights of the new ASPE.org website are listed below. I should also note there is an informational video of what to expect [here](#).

- A new mega menu that provides quick and easy access to the entire site
- A redesigned bookstore with a streamlined purchasing process
- Improved access to information and membership benefits
- A single sign on for ASPE.org, ASPE Connect, and ASPE Education
- You can now login to ASPE Education and obtain CEU certificates from seminars you attended at your local chapter!! See help on how to do this [here](#).

Leadership Development Webinar Series available Free to Members

ASPE National has a three-part webinar series presented by ASPE Young Professionals (AYP) that includes interactive learning, and seeks to create confidence in the use of conflict resolution tools. Each webinar will increase the participant's knowledge and confidence in how to resolve conflict and seek opportunities within the situation. This series is catered to the young professional but any engineer or designer at any stage in their career will find use in this series. This series does not award any CEUs. For more information click on the following link: <https://education.aspe.org/>

Manufacturer Spotlight

***This month we would
like to thank:***

FLUSHMATE®

Thank you for your support!

VICE PRESIDENT, TECHNICAL: TECHNICALLY SPEAKING

Hello ASPE Chicago Chapter Members. A big thank you to Steve Lipsey, from RC Sales, for his presentation on Solar Thermal Domestic Hot Water Design last month. I enjoyed the subject matter and had the good fortune to be able to even contribute a couple of my design photos to the presentation. Also, thanks to Viega for stepping in for the Cocktail Hour Sponsor.

Special Note:

If someone has allergies or diet restrictions and would like something alternative to the listed dinner offering, please reach out to me directly with as much advance notice as possible and we will try to accommodate you. However, due to the challenges of such requests, members will be required to prepay online prior to the meeting and cancellations will not be refunded as that alternative meal will not be served if you are not in attendance.

October Chapter Meeting Presentation Info:

This month we are heading to **Schaumburg** for our meeting at **Westwood Tavern & Tap**.

Please as a reminder, **RSVP by 6:00 PM Monday October 14th**.

Costs this year will follow suit with what we implemented last year. Members who RSVP on time, cost will be \$40, Late RSVP and non-members cost will be \$45. Please register online for best results.

Cocktail Hour Sponsored by: **Jeff St. Onge from HTA & Ed Lichner from ME Inc.**

Manufacturer's Spotlight: **Sloan Flushmate by KC Akalaonu with Sloan Flushmate Division.**

Title of presentation: **Engineered Devices vs. Legionella by Craig Boyce with Kemper Valve.**

The following content will be reviewed:

- What to know about Legionella
- The plumbing designer's responsibility
- Codes, guidelines and regulations
- Scalding vs. Legionella
- Cold water circulation
- Hot water circulation
- Engineered devices to eliminate stagnation
- Engineered devices to maintain temperature

Bio:

Craig Boyce: Educated in Business Administration at the University of Cincinnati, Craig specializes in plumbing system technologies and consults with facilities engineers, architects, designers and construction engineering firms to help minimize the threat of Legionella in plumbing design.

It is never too early to think about our 2020/2021 season. If you have an idea for a technical presentation you want to see, or you have a great technical session you want to present, please reach out to me and we can look to get you or your topic on the list for next season. Slots will fill up quickly. We are also looking to lock in Manufacturer Spotlights and Cocktail Hour sponsors as well.

Thank You,

Scott Jagodzinski, GPD, CPD

TAKE THE FIELD.

VICE PRESIDENT, LEGISLATIVE

Greetings Chicago Chapter Members!

It was great seeing some familiar and new faces at our September chapter meeting at Venuti's. If you were not there, you missed out on spectacular food and a great presentation regarding Solar Thermal Domestic Hot Water Design by Steve Lipsey. Our October meeting will be here soon at another one of my favorite spots, Westwood Tavern in Schaumburg, IL. Please be sure to RSVP!

ASPE Tech Symposium

The ASPE Tech Symposium is coming up in just a few short weeks! Will you be attending? This is a great opportunity to network and pick up many CEU's on a wide range of topics. There are 40 Technical Sessions offered this year. You can check out the sessions that will be offered here <https://www.aspe.org/2019Tech/sessions.html>.

Vent Sizing – Illinois Plumbing Code

Over the last year, my firm has had a couple projects reviewed by a third party plan review service hired by multiple municipalities in the region. The plan review comments for both projects referenced Illinois Plumbing Code Section 890. Table K. As an example of a comment we received, the plan reviewer stated that no more than 20 DFU's were permitted to be connected to a 2 inch vent. The first time this comment was made, I believed it to be made in error and called the plan reviewer to discuss. The plan reviewer was adamant that the comment was not made in error and referenced the table shown below, which he claimed was provided to him by a state inspector.

Table K Size and Length of Vents

Size and Length of Main Vents, Stacks Vents and Vent Stacks

Size of Vent Pipe Required (Inches)	1¼	1½	2	2½	3	4	5	6	8
Maximum Vent Fixture Units Connected	2	10	20	42	60	500	1100	1900	2200
Maximum Allowable Developed Length (Ft.)	30	100	150	300	400	700	700	700	1100
Maximum Allowable Horizontal Length (Ft.)	6	20	30	60	80	140	140	140	220

DO NOT USE THIS CHART

When I received the referenced table above, it was clear that whoever created it, did not understand how to interpret Illinois Plumbing Code Section 890. Table K. As you can see in the published and enforceable version of Table K (see next page), the plan reviewer used the "Waste Stack" column when referencing the vent size, and then looked at the subsequent information in the row. Per the Illinois Plumbing Code, a 2 inch vent capable of carrying as much as 500 DFU with a developed length of no more than 20 feet, of which only 4 feet (20%) is permitted to be in the horizontal position. Please note that these numbers may differ slightly between codes and the vent diameter should be a minimum of one half the size of the drain being served.

Have you had similar misinterpretation experiences with local inspectors and/or plan reviewers? If so, I'd like to hear about your experience and whether or not the interpretation was cleared up.

As a reminder, the online version of the Illinois Plumbing Code is the official code. If there is verbiage that is not within the online version, it is NOT enforceable. If you have a discussion with an inspector and they reference a cheat sheet, the inspector should provide the code verbiage, Section, Number, and Language, for any plan review comment to back up the cheat sheet, otherwise the comment is not valid.

Continued on Next Page...

VICE PRESIDENT, LEGISLATIVE, CONTINUED...

Section 890.APPENDIX A Plumbing Materials, Equipment, Use Restrictions and Applicable Standards

Section 890.TABLE K Size and Length of Vents

Size of Soil or Waste Stack	Fixture Units Connected	Diameter of Vent Required (Inches)									
		1¼	1½	2	2½	3	4	5	6	8	
		Maximum Length of Vent (Feet)									
1¼	2	30									
1½	8	50	150								
1½	10	30	100								
2	12	30	75	200							
2	20	26	50	150							
2½	42		30	100	300						
3	10		30	100	200	600					
3	30			60	200	800					
3	60			50	60	400					
4	100			35	100	260	1,000				
4	200			30	90	250	900				
4	500			20	70	180	700				
5	200				35	80	350	1,000			
5	500				30	70	300	900			
5	1,100				20	50	200	700			
6	350				25	50	200	400	1,300		
6	620				15	30	125	300	1,100		
6	960					24	100	250	1,000		
6	1,900					20	70	200	700		
8	600						50	150	500	1,300	
8	1,400						40	100	400	1,200	
8	2,200						30	80	350	1,100	
9	3,600						25	60	250	800	
10	1,000							75	125	1,000	
10	2,500							50	100	500	
10	3,800							30	30	350	
10	5,600							25	50	250	

20% = 30 FT

20% = 4 FT

Agency Note: Per Section 890.1580(e), no more than 20 percent of the maximum developed length may be installed in the horizontal position. Vent piping serving floor drains shall be installed in such a manner as to minimize horizontal vent distances.

Code Updates

As of this moment, there are no new code changes involving the State of Illinois or City of Chicago. There should be more information soon regarding the modernization of the Chicago Plumbing Code. The new Chicago Building Code (Title 14B) based on the 2018 International Building Code, is to be published on October 15th and will be available online. The new code will become optional for all new permit applications started on or after December 1, 2019, and mandatory for all permit applications started on or after August 1, 2020. Key dates for upcoming changes can be found here <https://www.chicago.gov/content/dam/city/depts/bldgs/general/CodeModernization/OnePageSummary.pdf>.

Please reach out to me if you have any code questions, code updates, ideas for topics of discussion, or you are looking for any interpretations and I will try and include pertinent information in future newsletters. We are here to provide our Chapter members our services whenever we can.

Thank you!

Chris Rohan, CPD

Chicago Chapter Vice President, Legislative

VICE PRESIDENT, MEMBERSHIP / PRODUCT SHOW CHAIRMAN

Greeting Members,

If you plan on attending the technical symposium please let me know at the October meeting and the chapter will share the contact information of other attendees. I am looking forward to the Technical Symposium this year as I have never been to Pittsburgh.

Vendors should have received an email with an Outlook Contact templated for you to fill out and return to me. We are putting an outlook contact address book together to distribute to engineers that will include your products, links, and websites to further increase access to our product representatives. Please let me know if you have not received this. Please return these to me ASAP.

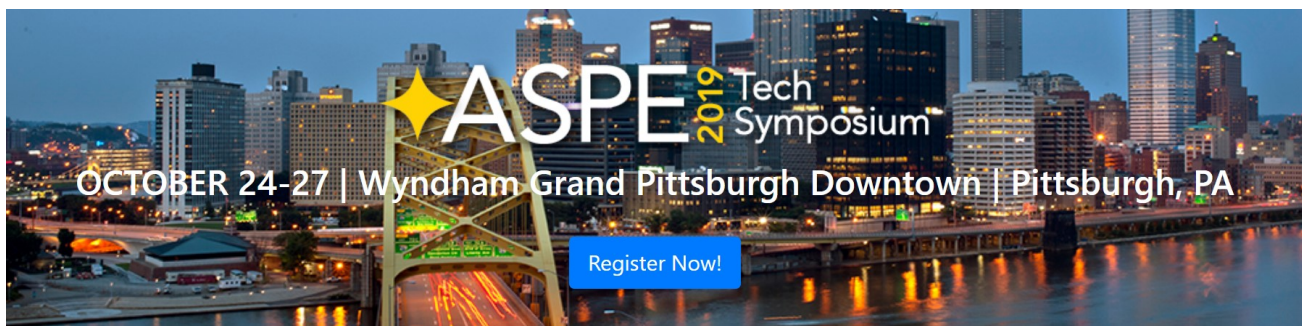

All members and vendors should have received the first contact list. If you have not, please make sure you have your contact information updated on the ASPE.org website so I have the correct information for distribution. The product show this year will be Co-located with the PHCC at Dury lane on March 20th. We are still in the process of scheduling CEU classes and we will update the chapter in the near future. [Registration](#) will be through the PHCC. Please spread the word to engineers, colleagues, and contractors.

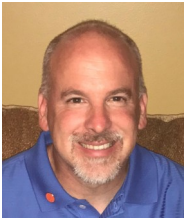

Thank you,

Justin Wroblewski, CPDT

Chicago Chapter Vice President, Membership / Product Show Chairman

ASPE.Chicago.VPM@gmail.com / aspe.chicago.pschairman@gmail.com / Jwroblewski@ams-pmt.com

VICE PRESIDENT, AFFILIATE

Greetings ASPE Members!

Fall is in full swing and October is upon us, time to prepare for Halloween and other fall activities. Before you know it, Holiday season will be upon us and Booster Night will be here. While we finalize all the details, sponsorship amounts, etc. We know that the sponsorships available won't change.

Feel free to reach out to me if you are interested in being one of our Booster Night Sponsors.

Don't forget about the opportunity to advertise in our Newsletter, place your ad to a very targeted audience! Rates this year have been LOWERED. Please see the advertising rates listed further in this newsletter and reach out to me for advertising opportunities. Interested in Multiple months? We can do that too!

Let's work together to grow our Amazing ASPE Chapter! Talk to a co-worker, a young engineer, a friend from the industry, invite them to one of our meetings. Get them involved! Wouldn't it be great if every active member was able to get one new member to sign up this year? Let's see how many of us can bring someone new to the October meeting!

I look forward to seeing you all there!

Thank You,

Darren Rich

Chicago Chapter Vice President, Affiliate

P# 847.875.8659 aspe.chicago.vpaff@gmail.com

ADMINISTRATIVE SECRETARY

Greetings Members,

I must say we are off to a great start for the Chicago ASPE General meetings, if you were not able to attend you missed one of my favorite venues, Venuti's. Steve Lipsey with RC Sales provided us with a great presentation on Solar Thermal Domestic Water Systems.

My Grilled French Cut Pork Chop was fantastic and was enjoyed by 41 other guests. Speaking of guests; Jim McGoon won the RSVP FREE dinner drawing and the 50/50 total was \$200.00; so \$100.00 went to: Charity; Water the Spring and Chris Wisinski won \$100.

Next month's general meeting will be on Thursday October 17th at Westwood Tavern & Tap 1385 N. Meacham Rd. Schaumburg, IL. 60173.

Thank you for reading and have a great day!

David Erickson

Chicago Chapter Administrative Secretary

C# 312-519-5629 aspe.chicago.admsec@gmail.com
