BOOSTER NIGHT HOLIDAY PARTY &

More pics available on the [Chicago ASPE Website](#)

PRESIDENT'S MESSAGE

Happy New Year everyone! I hope everyone was able to enjoy some time off with family over the holidays. Our Chapter Booster Night & Holiday Party was another huge success. We had over 68 people in attendance. I had a great time finally learning how to play at the craps table, (hopefully not a new habit for me). We collected over 97 donations for the Toys for Tots Charity. We had several toys collected at the November Chapter meeting too. A big THANK YOU to those of you that helped brighten some underprivileged children's Christmas!!!

I need to give a BIG shout out to all of our Sponsors for making Booster Night possible! You are truly the life blood of our Society. **I want to encourage all Engineers/Contractors to specify/purchase from those representatives & manufacturers that support our Society.** I also want to thank our VP Affiliate Darren Rich for organizing Booster Night and purchasing all the prizes.

January Chapter Meeting

Our next event will be January 16, 2020 at Venuti's out in Addison, IL. Our main presenter will be Plumbing Inspector George Swietczak. George has over 50 years of experience in the Plumbing industry, is an Illinois Certified Plumbing Inspector and is currently assigned to the Village of Schaumburg for plan review/inspections. We plan to ensure extra time for attendee questions during his presentation. This is a GREAT opportunity to bring up any thoughts and/or concerns that a Plumbing Inspector would be able to address.

ASPE Chicago Product Show being co-located with the IL PHCC Expo

On March 20, 2020 your ASPE Chicago Chapter will be co-locating their Product Show with the IL PHCC Expo at Drury Lane in Oakbrook Terrace. We will be contacting many of you Affiliates VERY soon regarding this. If you have any questions please contact our Product Show Chairman Justin Wroblewski at ASPE.Chicago.PSChairman@gmail.com.

CPD exam registration is now open

Exam dates are March 30 - April 5, 2020. For more info on the CPD exam go here: <https://www.aspe.org/education-credentialing/cpd/exam/>

For those who have their CPD Renewal Coming up this April

I just went through my CPD renewal process and thought I would share some notes. The ASPE certification expiration dates are as follows:
CPD's expire April 30th
CPDT's expire October 31st

24 hours of education in total are required to recertify your CPD/CPDT. ASPE's certification portal is now tracking Continuing Education Units, (CEU's), as "points". 1 CEU, or 1 Professional Development Hour, (PDH), = 10 points. So you would need 240 points, (i.e. 24 hours), of training to renew.

At least 50% of the training, (120 points or 12 hours), must be from ASPE, (through ASPE the Society, via ASPE Chapter Technical Meeting OR ASPE approved course from an ASPE approved provider). CEU's from the ASPE Chicago Chapter Technical meetings are automatically being added to your ASPE education account as of September 2019, (we used to email these to you).

FOLLOW US ON:

PRESIDENT'S MESSAGE, CONTINUED...

You will have to manually add any **ASPE** training that occurred prior to Sept 2019 here: <https://education.aspe.org/CPDRecertApprovedCourses>.

Non-ASPE approved training would also need to be uploaded at the following link. Note that these will be reviewed by Society staff and the Credentialing Committee and will therefore hold up your recertification timeline – ASPE SUGGESTS YOU SUBMIT THESE WELL IN ADVANCE OF YOUR CPD/CPDT EXPIRATION DATE: <https://education.aspe.org/CPDRecertExternal> <https://education.aspe.org/CPDRecertExternal>

The CPD/CPDT recertification review process can take **5-10 BUSINESS days**. DO NOT wait until 4/30 to recertify, especially if you plan on submitting external/non-ASPE approved training CEUs/PDHs such as chapter meetings from prior to September 2019!

THE FOLLOWING SCREEN SHOTS AND STEPS ARE INTENDED TO WALK YOU THROUGH ON HOW TO CHECK THE AMOUNT OF ASPE APPROVED TRAINING YOU CURRENTLY HAVE OBTAINED. This is only valid for CPDs due to recertify by April 30, 2020. CPDs due April 30, 2021 and CPDTs will not appear there yet, but hopefully in early 2020 you'll receive information from Society regarding this.

Go to <https://education.aspe.org/>, sign in, then visit My Education, and click on "Certifications". Note the screen shot below is typical of what you would see IF YOUR CPD IS SET TO EXPIRE THIS COMING APRIL 30TH, 2020.

In-Progress

Certification	Enrollment	Progress	Actions
CPD Recertification	12/29/2019	90% 0/1 required, 323/240 points	MORE INFORMATION DETAILS

The 1 item required is just the recertification fee and your acknowledgement

Here you can see how many training points you have already documented by ASPE. You would have to manually upload any ASPE approved training done before Sept 2019, and ALL non-ASPE approved training.

Thank You,

Chris Sbarbaro, PE, GPD, CPD, LEED AP BD+C
Chicago Chapter President

Manufacturer Spotlight

***This month we would
like to thank:***

Lochinvar[®]

Thank you for your support!

VICE PRESIDENT, TECHNICAL: TECHNICALLY SPEAKING

Hello ASPE Chicago Chapter Members. A big thank you to Darren Rich and all of the Sponsors for giving us another awesome Booster Night – Casino Night Edition. This event has been a membership favorite for a couple of years now.

We collected a great number of toys for Toys for Tots and I want to thank all the members who brought gifts in for the children.

January Chapter Meeting Presentation Info:

This month we are heading to **Addison** for our meeting at **Venuti's**.

Please as a reminder, **RSVP by 6:00 PM Monday January 13th**.

Costs this year will follow suit with what we implemented last year. Members who RSVP on time, cost will be \$40, Late RSVP and non-members cost will be \$45.

Please register online for best results.

Cocktail Hour Sponsor: **Treavor McDougall from Lochinvar.**

Manufacturer's Spotlight: **Treavor McDougall from Lochinvar.**

Title of presentation: **Conversation/ Discussion with Local Plumbing Plan Reviewer/Plumbing Inspector by Illinois Plumbing Inspector George Swietczek.**

The following content will be reviewed:

Plumbing Codes

TBD

Bio:

George has been working in the plumbing industry for over 50 years. He started working summers at plumbing shops starting in 1965 and earned his Chicago plumbing license in 1971. He is a certified Illinois Plumbing Inspector and teaches programs for apprentice training in Elk Grove. He is founder and President of Dynamic Plumbing Corporation and has served as the President of the Illinois Plumbing Inspector's Association for 6 years.

Special Note:

If someone has allergies or diet restrictions and would like something alternative to the listed dinner offering, please reach out to me directly with as much advance notice as possible and we will try to accommodate you. However, due to the challenges of such requests, members will be required to prepay online prior to the meeting and cancellations will not be refunded as that alternative meal will not be served if you are not in attendance.

It is never too early to think about our 2020/2021 season. If you have an idea for a technical presentation you want to see, or you have a great technical session you want to present, please reach out to me and we can look to get you or your topic on the list for next season. Slots will fill up quickly. We are also looking to lock in Manufacturer Spotlights and Cocktail Hour sponsors as well.

Thank You,

Scott Jagodzinski, GPD, CPD

TAKE THE FIELD.

VICE PRESIDENT, LEGISLATIVE

Happy New Year Chicago Chapter Members!

It's hard to believe we're into a new decade, but the 20's are here, which means it's time for me to struggle with writing dates again! I hope everyone had a fantastic holiday season. It was great to see so many people at Booster/Casino Night! Based on the noise coming from many of the tables, it sounded like everyone was having a lot of fun! We cannot pull this great evening off without all of the great support we get from our affiliates and the efforts of our VP Affiliate, Darren Rich! Thank you!

Codes – To Change or Not to Change

Illinois Plumbing Code: For 2020, it appears that Illinois may not be getting the revised plumbing code we were expecting when the newsletter went out last month. On December 17th, the Joint Committee on Administrative Rules (JCAR) held their meeting where the 2nd Notice Text was to be reviewed for possible adoption. I was not able to attend this meeting due to work commitments, however, based on information I gathered, JCAR spent a brief period of time on the subject and requested that the public comment period be extended. One could only assume that this is due to the large number of responses that were received in response to the 1st Notice and likely the 2nd Notice. By extending the comment period, the committee killed the proposed changes, which were set to expire on January 2, 2020. The committee requested that IDPH include all the stakeholders in the code change process on the next go around. I'll keep you up to date for any future action that may need to be taken since it appears that the code change process is going to start over, hopefully with less controversy.

Last month, I included a link with IDPH's responses to the comments they received on the 1st Notice Text. ASPE submitted comments on the proposed revisions, but those comments were not included in the official response document that was issued by IDPH. ASPE has since received responses from IDPH, who referred ASPE to responses made on similar comments. ASPE has requested that their comments be included as part of the official record. You can view ASPE's submitted comments by going here <https://drive.google.com/open?id=1HtDEFeGoWdlBmXbn7Gn9TSaSmfpszQAO>.

Chicago Plumbing Code: As you may have seen advertised by ASPE, a full day workshop is being offered on the new Chicago Plumbing Code (Title 14P) on April 3, 2020 at ASPE Headquarters in Rosemont, IL. The workshop is being presented ASPE Chicago Chapter's very own Julius Ballanco. You can find out regarding this workshop by going here: <https://education.aspe.org/products/update-of-the-chicago-plumbing-code-workshop-2020>

There is no information available at this time regarding what changes to expect and how much of the International Plumbing Code will remain intact once the adoption process is complete.

There is also no information available on whether the public will have an opportunity to comment on any proposed amendments to the International Plumbing Code.

Fire Protection – Residential Buildings in Chicago: As of January 1, 2020, sprinklers will be required in all new residential buildings with 4 or more dwelling units, regardless of the old or new building code.

Alternative Plumbing Materials Pilot Program: The Chicago Department of Buildings recently announced that this program has been extended to July 31, 2020. August 1, 2020 is the date in which the new codes are to become mandatory, so one could assume that the new code will incorporate some of the materials that have been permitted as part of this program.

If you are not familiar with the program, this is a program allows the use of alternative plumbing materials and methods for drainage pipe, vent pipe, and pipe fittings that are authorized for such use by the Illinois Plumbing Code as long as your application has been approved. The eligible projects are restricted to the following:

New construction of buildings of exclusively residential occupancy, not more than four stories in height
Any work in an existing building (constructed prior to 2010) of any occupancy, and not more than four stories in height, including additions to such buildings.

Continued on Next Page...

VICE PRESIDENT, LEGISLATIVE, CONTINUED...

You can find the Chicago Department of Buildings Memorandum regarding the Alternative Materials Program here <https://www.chicago.gov/content/dam/city/depts/bldgs/general/AlternativeCodeApproval/2019PlumbingPilotExtensionMemo.pdf>

As a continued reminder, the new Chicago Building Code (Title 14B) is now available for purchase and can be viewed online for free here <https://codes.iccsafe.org/search/?search=Chicago>. Pay special attention to the fire portion of Title 14B, which is substantially different than the current code.

Please note that the new code is now optional for all new permit applications and will become mandatory for all permit applications started on or after August 1, 2020. For any new projects in the City of Chicago, be sure to verify which code the Owner or Architect intends to apply under.

If you have suggestions for any future code changes, submit your suggestions to: DOBCommissioner@cityofchicago.org.

Please reach out to me if you have any code questions, code updates, ideas for topics of discussion, or you are looking for any interpretations and I will try and include pertinent information in future newsletters.

Thank you!

Chris Rohan, CPD

Chicago Chapter Vice President, Legislative
ASPE.Chicago.VPL@gmail.com

VICE PRESIDENT, MEMBERSHIP / PRODUCT SHOW CHAIRMAN

Greeting Members,

Our new member for the month of November is:

- **Austin Hendershot**

Please welcome him to the chapter when you see him at the next meeting!

All vendors' outlook contact cards will be sent via E-blast that have been provided to me. You can add these to your outlook and I will keep this updated as new contact cards are given.

Here is a [link](#) to all of the updated Line cards as well and they will be updated on the website shortly.

The product show this year will be Co-located with the PHCC at Dury lane on March 20th. We are still in the process of scheduling CEU classes and we will update the chapter in the near future. [Registration](#) will be through the PHCC. Please spread the word to engineers, colleagues, and contractors.

Thanks,

Justin Wroblewski, CPDT

Chicago Chapter Vice President, Membership / Product Show Chairman

ASPE.Chicago.VPM@gmail.com / aspe.chicago.pschairman@gmail.com / Jwroblewski@ams-pmt.com

VICE PRESIDENT, AFFILIATE

Happy New Year ASPE Chicago!

I hope the end of 2019 and the start of 2020 has been very enjoyable for everyone. Now we get back into the swing of normality, knowing the day of the week again and getting back to our usual routines, your ASPE Chicago Chapter officers are hard at work planning and finalizing our ASPE Season.

On behalf of the entire ASPE Board & engineering community, I would personally like to thank all the sponsors who participated in making this event successful. Your continued support of your Chicago Chapter is appreciated.

As we start to plan and think about Booster Night 2020, does everyone still like Casino Night? Or is it time to shake things up a bit? Any suggestions? Thoughts... let me know!

CONGRATS to all the winners of the fantastic prizes that were given away!

AD Space – We have AD Space available in our monthly newsletter, prices are reduced from last year. (See attached flyer with pricing) and we can talk about deals if you advertise for multiple months. Please reach out to me. Also remember that I am your voice to the ASPE Board, something on your mind? Something you like?, Don't like?, Thoughts, ideas???????????????? Let me know.

I look forward to seeing you all at Venuti's on the 16th

Thank You,

Darren Rich

Chicago Chapter Vice President, Affiliate

P# 847.875.8659 aspe.chicago.vpaff@gmail.com

ADMINISTRATIVE SECRETARY

Greetings members,

I would like to wish you and your family health & prosperity as you enter into 2020.

The December Booster Night festivities was one of the best we have had in years past, we had over 68 guests in attendance to enjoy the buffet, casino style games, beverages, and socializing.

The winners are as follows:

- VIZIO 58" 4K Smart TV-**Chris Rohan**
- Nintendo Switch-**Francis Wong**
- Apple IPAD 32GB 7th Generation WIFI-**Susan Allard**
- Samsung Galaxy Tab A 128GB-**David Lehman**
- Apple AirPods Gen2 with Wireless Charging Case-**Chris Sbarbaro**
- Google Nest Hello Doorbell with Google Hub-**Scott Jagodzinski**
- Fitbit Versa 2 Smartwatch-**Jeff Gallagher**
- Date Night Package (\$200 value) -**Tony O'Connor**
- Bulls Tickets: **Justin Wroblewski**
- Bulls Tickets-**Kevin Zaleski**

Our next meeting will be on Thursday Jan. 16 at Venuti's 2251 W. Lake Street Addison, IL. 60101.

Thanks for reading and have a great day.

David Erickson

Chicago Chapter Administrative Secretary
