The ASPE Chicago Product Show will be making possibly its biggest change EVER in early 2020! We hope you will be as excited as we are. Please keep reading.

## **WHAT ASPE CHICAGO HEARD YOU SAY**

- ASPE Chicago needs to do SOMETHING to give the Product Show more value to you and your fellow Exhibitors.
- ASPE Chicago needs to do SOMETHING to encourage more attendance at the Product Show.

## **WHAT ASPE CHICAGO IS DOING ABOUT IT**

- We talked with Bev Potts and IL PHCC about combining our shows.
- The result - March 20, 2020 will feature the ASPE Chicago Product Show being co-located with the IL PHCC Expo at Drury Lane in Oak Brook.

## **HOW YOU WILL RESERVE YOUR BOOTHS**

- All booth reservations and payments will go through IL PHCC. The payments will then be passed on to ASPE Chicago with our great appreciation.

## **ASPE CHICAGO PRODUCT SHOW IS THE MAIN REVENUE SOURCE EACH YEAR**

- Monies taken in by ASPE Chicago from the Product Show allow the Chapter to subsidize meals and to send Chicago Chapter members to the Technical Symposium (odd years) and delegates to the National Convention (even years).

## **WHAT DO YOU GET FROM THIS CO-LOCATION OF SHOWS?**

- You will be exposed to the engineers and designers of ASPE Chicago as well as hundreds of trades people including Contractors and Inspectors
