Meilner Mechanical Sales, Inc. is a manufacturer's representative for boiler room equipment. We pride ourselves on being a single-source sales organization with a commitment to providing quality products. Serving Chicagoland, Northern Illinois and Northwest Indiana since 1970, our many years of experience allow us to survey, quote, start-up and troubleshoot all of our products. To serve you better, Meilner Mechanical Sales carries a large inventory of equipment, ready for immediate shipment.

- *Adamson Global Technologies* – **Tanks**, Heat Exchangers, & Fuel Storage Systems.
- *AERCO International, Inc.* – High Efficiency, Condensing, High-Turndown, Modulating, Fire-tube Stainless Steel Boilers and Water Heaters for Hydronic and Domestic Water Heating. Clean Steam Generation & Indirect-fired Domestic Water Heaters in Single and Double Wall.
- *BFS Industries* – **Deaerators**, Boiler Feed Units, Oil Pump Sets and Accessories.
- *Columbia Boiler* – **Steel Boilers** and Indirect Water Heaters. Waste Oil Boilers.
- *Etter Engineering* – **Packaged gas booster systems** - true "Plug and Play"[™] designs that arrive at the job site ready to begin work.
- *Fabtek Aero* – **Boiler Feed Units**, Condensate Return Units and Accessories.
- *GEA Heat Exchangers, GEA PHE Systems North America Inc* – Brazed, Gasketed ("Plate-and-Frame") and Fully Welded. We make every kind of plate heat exchanger.
- *Hamilton Engineering* - High Efficiency **Stainless Steel Packaged Boilers** Hydronic Heating, Domestic Hot Water and Pool Heating.
- *HeatSponge Economizers* – **Economizers** Designed to Outlive Your Boiler. From 20 HP to 150,000 PPH in Single, 2-Stage, Full Condensing and the new SideKick Condensing for Hot Water Systems.
- *L.E.S., Inc.* – High Efficiency **Vertical Hydronic Boilers & Domestic Heaters Scotch Box**, Modular Steam or Water Heating Boilers.
- *Maxi-Therm* – High Efficiency **Vertical Flooded Heat Exchanger Skid Systems** for Hydronic Heating, Clean Steam Generation & Domestic Hot Water.
- *Precision Boilers* – **Bent Tube Steel Boilers**, Electric Boilers and Water Heaters, Deaerators, Boiler Feed Units, and Accessories.
- *Raypak, Inc.* – High Efficiency **Copper Fin Tube Boilers** for Hydronic Heating, Domestic Hot Water and Pool Heating. Now available up to 5000 MBH input
- *Reimers Electra Steam, Inc.* – **Electric Steam & Water Boilers** and Accessories.
- *Siemens Combustion Controls* – **The Siemens "Total Boiler Room Solution"**, Touchscreens, Linkageless Controls, O₂ Trim, Gas Valves, Modulating Feed Water Valves and Controllers.
- *Superior Boiler Works* – Packaged Steam and Hot Water **Fire Tube Boilers**.
- *Sussman* – **Electric Steam & Water Boilers, Superheaters** and Accessories.
- *Thermal Fluid Systems, Inc.* – **Thermal Fluid Heaters** and Hot Oil Systems.
- *Webster Engineering* – Forced Draft **Burners** 400 MBH to 200,000 MBH and Ultra Low NOx.
